Mission Statement:

“To develop the historic potential of Pompeys Pillar National Monument, the site of the only remaining physical evidence on the trail of the Lewis and Clark Expedition of 1803-1806.”

Support the Friends

Help support the Friends of Pompeys Pillar by:

- purchasing a Lewis and Clark license plate
- apply online to be a volunteer
- or become a member!

New Year’s Greetings from the Executive Director

Jonathan Peart

Greetings Volunteers and Supporters. We hope you had a Merry Christmas and a Happy New Year. As we enter 2014, we want to thank you for your support. As we work to perform our mission of assisting the Bureau of Land Management with the historical, scientific and educational interpretive programs at Pompeys Pillar National Monument, as well as managing the Gift Store, we know we could not perform our mission without the support from all of you. We are grateful to you for your contributions of time volunteering in the office and at Pompeys Pillar as well as your financial contributions through memberships and donations. Thanks to all of you for your support of Pompeys Pillar National Monument through the Friends of Pompeys Pillar.

The opening of the 2014 season at Pompeys Pillar is scheduled for May 3rd. That’s just three and a half months from now so we are currently seeking volunteers for the 2014 season. If you have volunteered in the past and want to help out again in 2014, please let us know. We encourage all our past volunteers to join us again for the new season and please pass the word along to your friends and family of the volunteer opportunities available at Pompeys Pillar.

During all of 2014 we will be asking individuals and businesses to become members of the Friends of Pompeys Pillar. Memberships help us provide quality education and interpretive programs, improve the historic experience for visitors at the Monument, provide funding for projects at Pompeys Pillar, and provide support for the volunteers who give many hours of service to enhance the experience for the visitors at the Monument. If you haven’t become a 2014 Member of the Friends of Pompeys Pillar yet, please do so today. You can pick up a membership form at the office or become a member at our website www.pompeyspillar.org.

Finally we welcome back Monument Manager, Jeff Kitchens, who has been working a BLM detail in Washington D.C. for the past few months. Jeff is a pleasure to work with, as are the other BLM personnel with whom we interact on a regular basis. They do a great job managing the Monument and we thank them for all their hard work and cooperation. We look forward to again partnering with Jeff and the BLM staff in 2014.
A Word From Jeff, Pompeys Pillar National Monument Manager

Happy New Year! I hope everyone had a wonderful holiday season. With the New Year comes more planning and preparation for our upcoming season at the Pillar. One main aspect of this is the hiring of seasonal and temporary staff to ensure each visitor that comes to Pompeys Pillar National Monument (PPNM) has a positive and memorable experience. Starting this month, we will begin recruitment for the following positions:

Seasonal Park Rangers (GS-0025-03/04/05): This year we will be hiring four to five seasonal park rangers. Park ranger duties include fee collection, visitor services, interpretation and education, maintenance and landscaping, and first aid and safety. Each ranger will work shifts of four 10 hour days, some weekends, some holidays, and at least one day of Clark Days (August 2-3). The announcements for these positions will be posted on USAJobs sometime the week of January 13th. We expect to have all positions filled by sometime in March.

Student Conservation Association (SCA) Interns: Pompeys Pillar will hire one-two SCA interns this summer. Duties will be similar to seasonal park rangers. Each intern will work June – August, 35-40 hours/week. Internship credit, a stipend, mileage reimbursement, and possibly AmeriCorps credit will be available. Active recruiting will begin in February with positions filled by the end of March.

Volunteer Rangers – Summer Interns: Given the great success we had with Jodi Kinn as a volunteer ranger last summer we have decided to offer at least two of these types of volunteer positions this summer. Each volunteer ranger will work at least 8-10 hours per week. Duties will be structured to the individual and internship credit will be available. Work schedules and hours will be flexible. Recruiting will be ongoing with all selections made by early April.

Along with these three positions are the various volunteer opportunities offered each year. Opportunities exist within the Gift Store, interpretation and education, maintenance and landscaping, historical and cultural re-

A Special Thanks to the BLM for making Pompeys Pillar such a wonderful place to visit.
